Title: Ambulance Breakdown	Reference #: AMB 1031
Section: Departmental	Date Effective/Revised: 2/5/2021
Department (s): Ambulance	Approved By: Board of Supervisors

Policy

In case of ambulance breakdown,

- If a patient is on board, the EMT in charge should make other transportation arrangements for the patient, by contacting another ground ambulance or air ambulance to transport. Usually the service from the patient destination would be used.
- The dispatcher or EMT in charge will then arrange to have the ambulance repaired or towed.
- The director or next in charge will be notified as soon as possible.
- Ben's Repair in Marengo or B.J.'s in Williamsburg should be called for towing.
- Most major repairs will be done at the local vehicle dealer.
