Policy Manual

Title: Dress and Grooming	Reference #: HR021
Subject: Human Resources	Date Effective/Revised: 7/1/2016
Department (s): All	Approved By: Board of Supervisors

Iowa County places a high priority on employee appearance. Since employees are in direct daily contact with the public, the public will remember employees as representatives of the County and will be watching how employees look, act, and talk. We expect employees to dress and groom themselves during working hours in such a manner as to reflect favorably upon the employee and the County. Dress in good taste and according to the requirements of the individual position.
