

Iowa County, Iowa
Policy Manual

Title: Equipment Operation	Reference #: AMB 1037
Section: Departmental	Date Effective/Revised: 7/1/2014
Department (s): Ambulance	Approved By: Board of Supervisors

Policy

1. All staff should be aware of proper procedures in handling equipment to prevent unnecessary breakage or injury.
2. Ambulance equipment by its nature is very highly specialized and very expensive.
3. When operating any piece of equipment the operation shall be carried out in a prudent manner to extend its useful life.
4. It is the duty of the EMT/Paramedic using this equipment to replace/repair, and/or report any broken equipment and supplies that are low.
5. If a piece of equipment malfunctions, a member of the charge staff should be notified.
