Section: Departmental	Date Effective/Revised: 7/1/2014
Department (s): Ambulance	Approved By: Board of Supervisors

**Policy**

**Vehicle Interior and Compartment Cleaning and Disinfection:**

The interior parts and surfaces of the vehicle will be cleaned with approved solution on a monthly basis and spot cleaned as needed after each call.

**Driving Compartment:**

The vehicle-driving compartment will be wiped with approved solution. The inner windshield, mirror and door windows will be cleaned with "spray glass" glass cleaner. The dash will be sprayed with vinyl cleaner and wiped dry. Floor and seats will be vacuumed or swept and shampooed as needed.

**Patient Compartment:**

All interior surfaces of the patient compartment will be wiped and/or scrubbed with approved solution. Equipment and supplies will be removed from compartments and the compartment interiors wiped with approved cleaner. Compartment liner mats will be removed and scrubbed with detergent. After drying, equipment and supplies will be returned to compartments
